Judge Thomas A Varlan  
US District Court Eastern District of Tennessee  
220 West Depot Street, Suite 200. Greeneville, Tennessee 37743

Dear Judge Varlan,

I have a problem. I am a class member in the Miller Energy -KPMG Securities Settlement litigation and several of the brokerage houses that I had transactions with during the period of litigation were able to send me their records on my holdings. The settlement administrator sent me a letter stating some of my holdings were with E\*Trade but unlike Fidelity, E\*Trade keeps no records after seven years. Since I got a letter mentioning my E\*Trade account there must be someone who knows I had an account with Miller Energy holdings during the requisite period.

Could you find out who has the record of my E\*Trade? So far the Plaintiff's law firms, and the Settlement company have not been helpful. I am 82 years old and not in the best of health.

Richard Frank
